Eddy Dreyer services a variety of companies, privately or publicly held: oil & gas investors, exploration companies, production operators, service companies, as well as estates, trusts, partnerships, individuals, etc.

Energy Exploration International, Inc. is an energy exploration and development company based in Dallas, Texas, USA: www.eei-inc.com.

Forward-Looking Statements

This press release contains statements, which may constitute "forward-looking statements" within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Those statements include statements regarding the intent, belief or current expectations of Energy Exploration International, Inc., and members of its management as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements. Important factors currently known to management that could cause actual results to differ materially from those in forward-looking statements include fluctuation of operating results, the ability to compete successfully and the ability to complete before-mentioned transactions. The company undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results. If any investor has questions or knowledge of information that causes him or her concern, please feel free to contact Energy Exploration International, Inc.
